My father was a free-lance photographer. He has asked me to help him sell his equipment and supplies. He has a lot of presentation items, vintage cameras, lenses, filters, and more. There is a Beseler 23CII enlarger and a Jobo Developing System with the JoboLift, as well as numerous darkroom accessories. He also has a fine library of books on photography and photographers.

Kathy Cleveland can be reached at [KeenerJohnMildred@gmail.com](mailto:KeenerJohnMildred@gmail.com), or by phone or text at 586-291-1044.

**Used Micro Four Thirds cameras, lenses, & flash for sale**, all in very good to excellent condition. Contact Dave Lundy: [lundyd43@gmail.com](mailto:lundyd43@gmail.com) or (937) 426-1132.
